

2 Panel Configuration shown  
 BTC-70911-9

4 Panel Configuration shown  
 BTC-70911-12

**Available in 2 and 4 panel versions**  
**Charges 2 sets of batteries in 4-6 hours depending on the input power and batteries installed**  
**Simultaneously charges like-batteries**

**Existing configurations charge:**  
**BB-2590/U, BB-2557/U, CWB, 148/152, SPR and Rifleman (PRC-154) radio batteries.**

**Powered from AC and DC (vehicle, NATO, solar sources, other battery sources)**

**Features**

- Flexible input power: 20-36Vdc, 120W (max) or a solar panel
- Key Features
  - 1) Familiar charging status: Red/Yellow/Green LED Indicators
  - 2) Incorporates Maximum Power Point Tracking (MPPT) which allows the batteries to be charged more efficiently by constantly adjusting the maximum power available from a solar panel
  - 3) Equipped with a 10W USB charging port
  - 4) Equipped with a trailer hitch connector (shown scavenging power from BB-2590/U) for connections with multiple existing input cables
  - 5) Blackout button for stealth operation
- Depending on configuration, 2 or 4 panel, kit weight is approximately 3 or 4 Lbs respectively. Refer to Standard Components for Available FLEX Charger™ Kits on back of this sheet for details
- Customize your kit by adding 60W solar panels and more
- Protected by one or more U.S. Patents. Please visit our website for details: [www.bren-tronics.com/patents](http://www.bren-tronics.com/patents)

**FLEX Charger™ Kit**

Standard Components for Available FLEX Charger™ Kits		
<i>Please contact your Sales Rep or Customer Support for additional configurations</i>		
	Part No.	Description
<b>Included</b>	BTC-70911-xx	FLEX Charger™ (refer to Available Configurations table above for details)
	390651	8 Foot Extension Cable.
	BTA-70671	24V DC NATO Slave Cable. Provides power from vehicle.
	BTA-70768	X90 Scavenger. Takes power from an X90 type battery.
	BTP-490022	Molle Bag. Protects items during transit or storage.
	BTP-591791-3	AC/DC Power Adapter. Powers from any 100-240Vac or 12-16Vdc.
<b>Optional (sold separately)</b>	BTA-70797	Y-Junction Cable. Connects multiple solar panels together.
	BTA-70911-1	FLEX Charger™ Adapter for AN/PRC-152 to AN/PRC-148 Batteries.
	BTA-70911-2	FLEX Charger™ Adapter for AN/PRC-152 to Conformal (CWB) Batteries.
	BTP-592400-x	60W Foldable Flexible Solar Panel. Available in Woodland Camo (-G) or Tan (-T).
	BTP-592433-MC	60W Foldable Solar Panel. Incorporates low glare MultiCam® film.
	BTP-592436-MC	120W Foldable Solar Panel. Incorporates low glare MultiCam® film.

Bren-Tronics is an advanced designer and manufacturer of primary and rechargeable batteries, chargers and complete energy storage systems from watt hours to megawatt hours.
